SUMIT

Target role: AI Data Trainer · AI evaluation specialist linkedin.com/in/sumixt7

PROFESSIONAL SUMMARY

AI evaluation and data-training experience involving evaluation and quality-focused work for AI systems. Evaluates image, video and agentic AI outputs against rubrics at Mindrift (Toloka AI) since January 2026. Transcribed and reviewed 10–15 hours of Hindi audio at CrowdGen (Appen), with 100% of submitted work accepted.

EXPERIENCE

AI Evaluation & Data Training

- AI evaluation and data-training experience involving evaluation and quality-focused work for AI systems.

AI Tutor – Multimodal Evaluation Specialist | Mindrift (Toloka AI)

Jan 2026 – Present

- Compares text-to-image and text-to-video outputs side-by-side against rubrics for prompt adherence, visual quality, motion smoothness and generation artifacts, documenting preference judgments.
- Assesses agentic AI trajectories on Shopify tasks for correctness, efficiency and completion of the user goal.
- Performs face de-duplication on image datasets and transcribes and reviews English audio to project style and accuracy standards.
- Completes a separate training course and qualification exam for each new evaluation project.

Hindi Transcription Specialist & AI Data Annotator | CrowdGen (Appen)

2026 – Present

- Transcribed and reviewed 10–15 hours of Hindi audio across 20–25 tasks over two months; 100% of submitted work was accepted by the client.
- Applied client style, formatting and accuracy standards to Hindi-locale transcription and annotation.

Trainee Maths & Science Teacher (B.Ed. Practice) | Govt. Sr. Sec. School Darwa

Sep 2025 – Dec 2025

- Planned and delivered approximately 100 lessons over a four-month internship: around 50 in mathematics and 50 in physical science.

EDUCATION

B.Ed. | Himachal Pradesh University · 2026
B.Sc. Mathematics (with Physics, Chemistry) | Govt. College Arki, Himachal Pradesh University · 2021–2024

SKILLS
